Phonics

Little Wandle Letters and Sounds Revised

Our school has chosen Little Wandle Letters and Sounds Revised as our systematic, synthetic phonics (SSP) programme to teach early reading and spelling.

Phonics is:

making connections between the sounds of our spoken words and the letters that are used to write them down.

Some children learn to blend really quickly, and others take a little longer. Playing blending games at home is so helpful!

Teaching order

We usually teach four new sounds a week and have a review lesson on a Friday.

Grapheme and mnemonic	Picture card	Pronunciation phrase	Formation phrase
S S	snake	Show your teeth and and let the s hiss out ssssss ssssss	Under the snake's chin, slide down and round its tail.
Q a	astronaut	Open your mouth wide and make the 'a' sound at the back of your mouth a a a	Around the astronaut's helmet, and down into space.
t	tiger	Open your lips; put the tip of your tongue behind your teeth and press ttt	From the tiger's nose to its tail, then follow the stripe across the tiger.
p	penguin	Bring your lips together and push them open and say p p p	Down the penguin's back, up and round its head.
į	iguana	pull your lips back and make the 't' sound at the back of your mouth i i i	Down the iguana's body, then drav a dot [on the leaf] at the top.
		Open your lips a bit,put your	Down the stick, up and over the

Grapheme and mnemonic	Picture card	Pronunciation phrase	Formation phrase
j		Pucker your lips and show your teeth use your tongue as you say j j j	All the way down the jellyfish. Dot on its head.
V	jellyfish	Put your teeth against your bottom lip and make a buzzing vvvv vvvv	Down to the bottom of the volcano, and back up to the top.
	volcano	Pucker your lips and keep them small as you say w w w	From the top of the wave to the bottom, up the wave down the wave, then up again.
V	wave	Mouth open then push the cs/x sound through as you close your mouth cs cs cs (x x x)	Start at the top, then acros to the bottom of the box. Start at the top, then acros to the bottom of the box.

Gradually your child learns the entire alphabetic code:

Little Wandle Letters and Sounds Revised 2021: Programme progression Reception and Year 1 overviews

This programme overview shows the progression of GPCs and tricky words that we teach term-by-term. The progression has been organised so that children are taught from the simple to more complex GPCs, as well as taking into account the frequency of their occurrence in the most commonly encountered words. All the graphemes taught are practised in words, sentences, and later on, in fully decodable books. Children review and revise GPCs and words, daily, weekly and across terms and years, in order to move this knowledge into their long term memory.

Children need to learn to read as quickly as reasonably possible, so they can move from learning to read, to reading to learn, giving them access to the treasure house of reading. Our expectations of progression are aspirational yet achievable if schools maintain pace, practice and participation by all children. Children who are not keeping-up with their peers should be given additional practice immediately through keep-up sessions.

Reception

Summer 1 Phase 4

Autumn 1 Phase 2 graphemes	New tricky words
s a t p i n m d g o c k ck e u r h b f l	is I the

Autumn 2 Phase 2 graphemes	New tricky words
ff ll ss j v w x y z zz qu ch sh th ng nk words with —s /s/ added at the end (hats sits) words ending —s /z/ (his) and with —s /z/ added at the end (bags)	put* pull* full* as and has his her go no to into she push* he of we me be

*The tricky words 'put', 'pull', 'full' and 'push' may not be tricky in some regional pronunciations; in which case, they should not be treated as such.

Spring 1 Phase 3 graphemes	New tricky words
ai ee igh oa oo oo ar or ur ow oi ear air er • words with double letters • longer words	was you they my by all are sure pure

Spring 2 Phase 3 graphemes	No new tricky words	
Review Phase 3 Inger words, including those with double letters words with —s /z/ in the middle words with —es /z/ at the end words with —s /s/ and /z/ at the end	Review all taught so far	

New tricky words

We will work our way through the whole Little
Wandle Programme until your child can read fluently.

Year 1

Autumn 1	Review tricky words Phases 2–4
Review Phase 3 and 4	Phases 2—4: the put* pull* full* push* to into I no
Phase 5	go of he she we me be was you they all are my by
/ai/ ay play	sure pure said have like so do some come love were

How we make learning stick

There are specific resources for the Little Wandle Programme which the children will be very familiar with Eachers and sound that we teach to begin with has either a mnemonic (like the astronaut that you can see here) or a phrase like boing-boing for 'oi'. This helps the children recognise and remember the graphemes. Every time we teach a new sound, we also read words during the phonics lesson that contain that new sound so that the children practise what they have learned. We then go on to reading a sentence containing some of those words. We have displays in the classroom and on the tables to support the children throughout the day.

Reading and spelling

ea

each /ee/ head /e/ break /ai/ This is an example of what the children learn in Year I.

Children learn that there are graphemes that can have different sounds and sounds that can be made with different letters.

passion

Spelling

- Say the word.
- Segment the sounds.
- Count the sounds.
- Write them down.

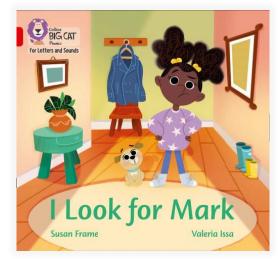

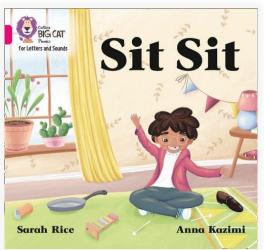

How do we teach reading in books?

Reading practice sessions are:

- timetabled three times a week
- taught by a trained teacher/teaching assistant
- taught in small groups.

We use assessment to match your child the right level of book

We assess your child every six weeks to check progress. Any child who needs extra support has daily keep-up sessions planned for them.

Reading a book at the right level

This means that your child should:

- Know all the sounds and tricky words in their phonics book well
- Read many of the words by silent blending (in their head) - their reading will be automatic
- Only need to stop and sound out about 5% of the words by the time they bring the book home - but they should be able to do this on their own.

Reading at home

The most important thing you can do is read with your child

Reading a book and chatting had a positive impact a year later on children's ability to...

- understand words and sentences
- · use a wide range of vocabulary
- · develop listening comprehension skills.

The amount of books children were exposed to by age 6 was a positive predictor of their reading ability two years later.

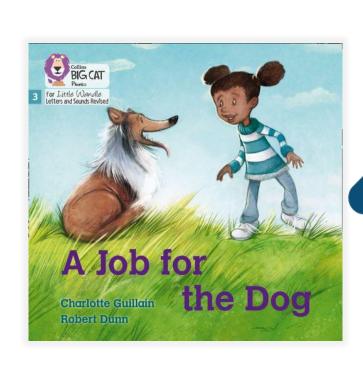

Celebrate child's success at school, make time for reading at home!

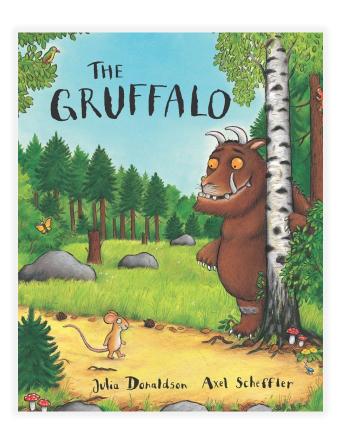

Books going home

As well as the 'learning to read' book that your child will bring home they will also bring home a book for sharing with you. This book is SO important. This is how we are going to give them the WILL to read. Please read with your child as often as you can - at least once a day if possible.

Listening to your child read their phonics book

- Your child should be able to read their book without your help.
- If they can't read a word read it to them.
- Talk about the book and celebrate their success.

Supporting your child with phonics

It is really important that you pronounce the sounds correctly at home if you are supporting your child. These videos are on the website for you to refer to and if you are unsure, please ask your child's teacher.

Phase 2 sounds taught in Reception Autumn 1

Phase 2 sounds taught in Reception Autumn 2

Phase 3 sounds taught in Reception Spring 1

Read to your child

The shared book is for YOU to read:

- Make the story sound as exciting as you can by changing your voice.
- Talk with your child as much as you can:
 - OIntroduce new and exciting language
 - OEncourage your child to use new vocabulary
 - O Make up sentences together
 - OFind different words to use
 - ODescribe things you see.

What is the Phonics Screening Check?

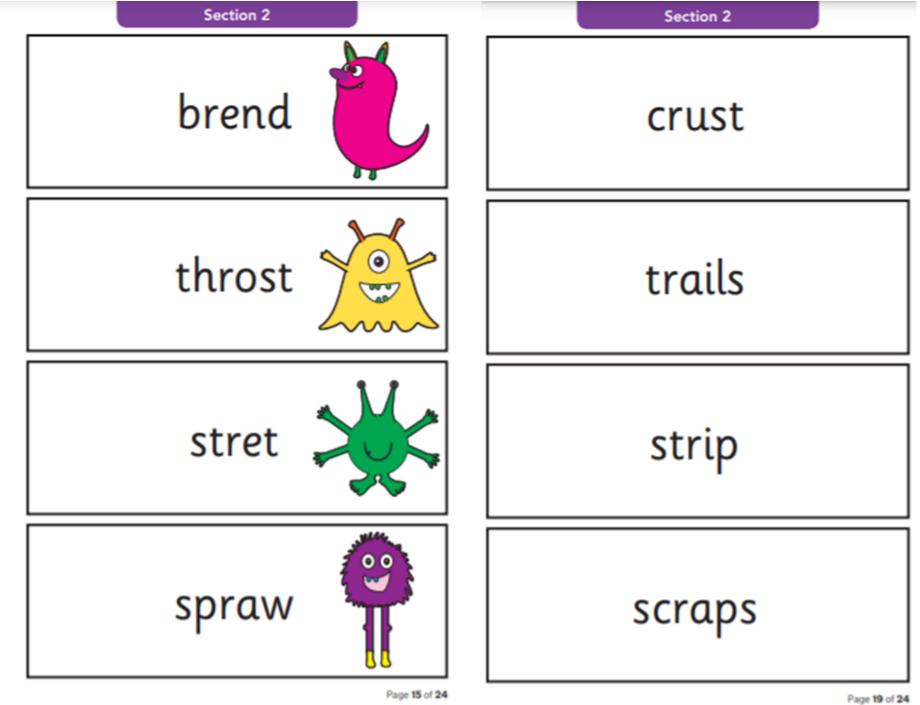

Children in Year I throughout the country will all be taking part in a phonics screening check during the same week in June.

Children in Year 2 will also take the check during the second half of the autumn term as they missed last years. Any children that do not pass this term will be expected to take it again in June with the Year I children.

The phonics screening check is designed to confirm whether individual children have learnt phonic decoding and blending skills to an appropriate standard.

What Happens During the Test?

The test contains 40 words. Each child will sit one-to-one and read each word aloud to a teacher. The test will take approximately 10 minutes per child, although all children are different and will complete the check at their own pace. The list of words the children read is a combination of 20 real words and 20 pseudo words (nonsense words).

Reporting to Parents

By the end of the summer term all schools must report each child's results to their parents. They will also confirm if the child has met the standard threshold. Children who do not achieve the expected level will retake the test when they are in Year 2.

One of the greatest gifts adults can give is to read to children
